Grand Prizes

We're finding our voices and expressing ourselves through these grand prizes!
There is one winner per age group.

For ages 3-5

Paint large blocks of a vehicle, and put on stickers to decorate it! Now you have a set of vehicles created by you.

For ages 6-8

Make your own picture book, and send it off to be professionally printed!

For ages 9-12

Write and illustrate a graphic novel, then send it off to be professionally printed!

Summer Reading 2023

**CASE MEMORIAL
LIBRARY**

Summer Reading Program

Welcome to the 2023 Summer Reading Program! As always, we're going to be encouraging you to read over your summer break. Here's how:

Getting Points

Points are working differently than in previous years. Instead of getting a point for every book you read, you are getting one point for every day you read at least 20 minutes.

If you read more than 20 minutes, that's great! You'll still just get one point because we're counting it by the day, but we'll be cheering you on!

Getting Prizes

For every 7 points you earn, you'll get a prize from our prize bin! Stop by the children's desk in the library to collect it. You'll also unlock two mini games in your ReadSquared account.

ReadSquared will alert you when you've won a prize with a little badge and message. The games unlock instantly, and you automatically get a ticket entered into our grand prize raffle.

Using ReadSquared

Use the website, the app, or both! If you need help with any of these steps, stop by the children's room or call the library at 203-891-2170.

Make Your Account

If you participated last year, you can login with your username and password or hit the password reset button.

If you are new or want a change, go to the ReadSquared app or casememorial.readsquared.com and hit register.

In either case, you are looking to enroll in the 2023 Summer Reading Program.

Logging Points

Keep track of the days you've read at least twenty minutes. When you sign into your account, click the pencil icon to go to the logging screen.

The **only** box you need to fill is "How many days did you read?" Select the date, and type '1' in the box. If you need to add other days, change the date and type '1' for each date, rather than typing in a larger number. Adding the name of a book is not necessary.

Redeeming Prizes

You've got a prize! Congratulations on a(nother) full week of reading!

To redeem your prize, come to the desk in the children's room and give the person there your name. We will look up your account and check you off in our system. Then you get to choose your prize from the bin.

Our grand prize winners will be contacted via email and/or phone after the drawing on August 12th.

Mini Games

ReadSquared has mini games for you to unlock! Two will be unlocked the moment you sign up, so be sure to click on the 'games' tab and check them out!

For every 7 points you earn, you unlock two more mini games. These games vary in age range, but each level has one easier game and one harder game.
