Summer Reading 2023

at the

Case Memorial Library

Join us June 17th at 10:30am for our kickoff! Storyfaces presents The Power of a Story, where volunteers from the audience get their faces painted as part of the show!

Al deCant will be holding Music Mondays for several weeks during the summer! Ages 4-7 and their families should come sing along starting on June 19th.

Summer STEAM and Makerspace crafts are every Tuesday at 3pm! Make penny boats, design perler bead art, draw with 3D doodlers- there's something for everyone.

Biweekly take and make crafts on a first come, first served basis. All the fun of crafting, at the time of your choosing! Make a Juneteenth flag, straw rockets, Emoji notebooks, and a kazoo!

End the summer with a bow! On August 12th, Magician Ed Popielarczyk will be here to astonish us- but he'll need help from the audience to pull off his best tricks!

Reading Challenges

Use the ReadSquared website, the app, or both! Every day that you read at least 20 minutes gives you a point. For every seven points, you get a prize! See the Reading Program brochure for more details.

No library card? No problem!

Library cards are not required for any of these events or participation in our summer reading program. If you'd like to sign up for one, bring your state ID with your current Orange address.
